

Beyond Toys: Meaningful Catholic Books Kids Will Love to Unwrap

OSV Kids books are designed to kindle the Catholic imagination within young readers, drawing them to a deep love of their Faith and a life of committed discipleship through creative storytelling, beautiful artwork, and fidelity to Catholic teaching. We partner with talented Catholic authors and artists to create books that will teach, inspire and delight children and their parents. Give these as gifts this Christmas. Click on the books from [OSV Kids](#) to learn more!
